CLASS HISTORY

It just seems like yesterday when we were in first grade, but it was twelve long years ago. We entered school in 1938 and we were greeted by Miss Hanst. She certainly was good to us. It was then we discovered Ronald Silvis was to be our class genius. When we were promoted to second grade Miss Rhodabarger took the job of instructing us. She really tried her best to teach us to add and to subtract, but we were rather dense at the time.

Now that we were in the third grade we were permitted to begin our study of history along with our other subjects. Miss Long was our able and patient teacher. We advanced to fourth grade where Miss Stanley struggled to make us behave. She was quite strict but everyone seemed to like her. Ray Abernethy was the ladies' man even then.

In fifth grade Miss Weibel was our teacher. It was she who directed our operatta, "The Frog Prince", with Ray Abernethy as the charming prince.

Now to sixth grade--the room and teacher we had been waiting for. Miss Myers was very strict but strangely enough was loved by all. She would either clip you on the head for not doing something or make you almost die laughing. We gained two classmates this year, Bertha Jean Hogan and Jerrie Bish. Jerrie left us at the end of her junior year. During this year we also presented the operatta, "A Midsummer Night's Dream", under the direction of Miss Weibel.

Junior High at last! We really were stepping fast. Now we could even change classes. Miss Shick was our teacher and we really had fun. In spelling class we would play our favorite game, spelling baseball. Our motto for seventh grade was Ex Libris which means "from books."

Eighth grade and Miss Wiant! Between writing and arithmetic we thought we were overworked. The main attraction that year was our carnival. No one will ever forget John Keener as the spell binding bathing beauty. He attracted many an eye in his shapely bathing suit. That was an occasion that will live forever in some people's hearts. Jean Lovett and Louis Brody won the American Legion and American Legion Auxiliary awards for that year.

The year 1946-47 was our green freshman year. The first day of school was a riot. Members of our class came from everywhere. Some from the Bend, some from Sugar Creek, and some from Cowansville. Only these kids could make the fine class we had and now have. Our class advisor was Mr. Miller and officers were

President	Jean Lovett
Vice President.	Lydia Andreassi
Secretary	Lena Andreassi
Treasurer.	John Kerschbaumer

We made it--Senior High. With Miss Hicks as our advisor we were due for a good year. Jean Lovett was elected the cheerleader to represent our class. We even had some members on the basketball squad. With our able officers leading us we had a fine year. Darl Eck as president, Lena Andreassi as vice president, Lydia Andreassi as secretary, and Jean Lovett as treasurer.

Junior--one more to go, but still climbing. The cheerleaders chosen from our junior class were Jean Lovett and Mary Stanley. That was one of our biggest years. Our play, The Hoosier Schoolmaster, was unusually good--we thought. Ray Abernethy had the leading role as he played the schoolmaster and Jean Lovett as his co-star portrayed the part of Hannah, the bonded slave girl. Then too, our prom. It was really beautiful. Our theme was a Mexican fiesta with decorations carried out to the most minute details. Fritz Waldrom and his orchestra furnished the music. As the high light of the evening the class president, Jean Lovett, crowned Mary Lou Fuhrer and David Mellish as queen and king of the prom. The remainder of the senior class served as the Court. Our class advisor was Miss Hicks. Our class officers were Jean Lovett, Lydia Andreassi, Mary Stanley, and Lena Andreassi.

We finally reached the last step! Here we are ready for our last year of education in good old E. B. H. S. Cheerleaders for this, our last year, are Jean Lovett, Mary Stanley, and Bertha Jean Hogan. Jean Lovett was elected editor of the newspaper and Marlene Hankinson editor of the yearbook. Our class advisor is again our beloved Miss Hicks and the class officers:

President.....	Lena Andreassi
Vice President	Darl Eck
Secretary.....	Florence Galassi
Treasurer	Ray Abernethy

We have selected our class motto, "Up to the Door, Over the Threshold, and into the World." This year for the first time in history of East Brady High School the National Honor Society was introduced. The charter members representing the senior class are Ray Abernethy, Lena Andreassi, Marlene Hankinson, Dick King, Ronald Silvis, Mary Stanley, and Jean Lovett. Our commencement on May 22 was a solemn occasion for we finally realized that our high school days of fun and frolic were ended, and much to our surprise we were very sad.

In parting the class of 1950 wish to express their sincere appreciation to all those who have helped them "up to the door, over the threshold, and into the world."

CLASS PROPHECY

House of Providence
Boston, Massachusetts
May 22, 1960

Miss Loretta Hicks
115 Main Street
Roseville, Pennsylvania

Dear Miss Hicks,

A few months ago I flew on the Jordan Special to a mission in Italy. I was not surprised to find that the airline hostesses were two of our former classmates--Kathryn Sanich and Lydia Andreassi. They told me that several other of my classmates were on the plane, so I went to look for them.

I soon found Lou Brody, the famous draftsman, and his secretary, Arveda Ferris. They were on their way to Europe, where Lou was to draw blueprints for the new United Nations Building.

Sitting directly behind them were Darl Eck, the professional lawyer, and his secretary, Mary Guthrie. They were also going to Europe to attend the trial of the Communists on the following day.

Jean Fresh and Ronald Cogley, the noted morticians, were asked to be on hand at this trial for any executions that would take place. They were accompanied by Dan Murray, who was to dig the graves for the executed Communists.

When I got off the plane in Italy, Sister Lena Andreassi was there to greet me. She was to accompany me on the mission.

After we had completed the mission, we both returned to the United States. While passing through New York City, we found that the Pittsburgh Pirates were in town for a three-day series and that Ronald Bowser had become their star pitcher with eleven wins and two losses.

On the day that we arrived in Brady's Bend, we found many of our classmates living in the same vicinity. Nancy Sonelli had recently changed her name to Mrs. Paul Matijak, and she is now residing in Kaylor. Mrs. Sam Adams (Louise Maley) and Mrs. Archie Groves (Alice Kiser) are also residing in Kaylor.

Mrs. Walter Crnjar (Dolores Hillwig) is now the mother of two healthy children and lives in Blue Row.

John Kerschbaumer has discovered a new brand of pop,?? "Kersch Special" and has set up his business in Blue Row. Bertha Varrasso is his secretary.

Dick King is now Superintendent of the Pittsburgh Limestone Corporation, Kaylor Plant and Miriam McClaine is his secretary.

Jean Lovett recently became Mrs. John Anderson and is residing in East Brady.

Dale Luxon, the local dentist, has employed Alice Yount as his nurse and Marlene Hankinson as his secretary.

Mrs. Robert Wiles (Bertha Wolff) and Mrs. Glen Miles (Bertha Jean Hogan) have both recently become mothers of fine boys.

Jack Tribley was elected Senator of Pennsylvania and employs Mary Stanley as his secretary.

Paul Ion and Alan Hooks, "Singing Dudes", have established a program of their own on Station W A C B. They can be heard every morning at 6:30 A.M.

Dick DeCorte has decided to sponsor dances twice a week in his recreation hall. On Fridays John Keener and his orchestra are featured. Don Guthrie is the vocalist.

James Dolmovich went to Washington last week as he was offered the position of janitor in the White House.

Phyllis Harmon and Mary Alice Zietler have become co-partners of Ann's Beauty Shop in Brady's Bend.

Professor Ronald Silvis had attained the position of science teacher at Harvard University. Ray Abernethy has become coach of the "Fighting Irish of Notre Dame." Tom Flannagan has finally gone into business as a Fuller-Brush salesman.

Since you had been such a wonderful class advisor for the class of 1950, I thought you would like to know what each member is doing at the present time. The class wants to thank you from the bottom of their hearts for your help and guidance during our four years of high school. We know that it was with your guidance that some of us have attained the positions we now have.

I wish you the best of luck.

Sincerely,
Sister Florence Galassi

"Bill"
